### Personal message

The funds raised this the 28th Zimbabwe Blue Cross will be distributed to several Zimbabwe SPCAs and animal welfare organizations.

Donations to Blue Cross participants will help these shelters survive, providing many animals with the necessary care.

We help injured or ill wild animals. We are there for dogs starved or abandoned, caught in cruel snares, or injured. Cats and kittens, unwanted or ill, we restore their health and spirit. Every day brings new challenges.

Just feeding the SPCA 'residents' can prove a daily challenge. Our services are limitless for veterinary care, finding homes, paying staff, educating owners, and providing community services like dipping or deworming. Spay and neuter programs would remain a mere dream.
